Headteacher's Message

It is hard to believe we are coming to the end of another academic year. It is a joy to see how much the children have grown and developed in their maturity, character knowledge and ability this year. You will have the chance to read about your child's progress in detail in their end of year report. It is a great way to reflect on how far the children have come over the year and I would like to say how proud I am of each child and their achievements. Once again, it has been a pleasure to serve the children and families of this community. I would like to say a special congratulations to Year 6 who are now ready to move to secondary school. I wish them the very best of luck in their future educational journeys.

End of Year Reports

Your child will receive their end of year report on **Friday 12th July**.

Social Media Safety

Every day, social media develops and with it brings new potential dangers. Please see our school website for excellent advice and information regarding your child's safety online.

Bikes and Scooters

Your child MUST wear a helmet if riding to and from school on their bike or scooter.

Absences & Illnesses

Please note all absences must be reported to the school office every day that your child is absent by 9am. This ensures that we know where all children are and if they are safely in school. You can report any absence by calling the school office or messaging on the school gateway app.
